Strange? did every race have its belief in such creatures? Could there be some grotesque, distorted element of truth behind all these old wives' tales? Then it stood erect. It was about the size of a cat It was pink and moist and hairless and naked. Its very human hands and feet and male genitals were too large for its tiny body. Its belly was swollen, turgid and distended like an obscene tick. Its head was flat Its jaw protruded like an ape's. It too had a scar, a big, white, puckered scar between its shoulder blades, at the top of its jutting backbone. the water. Rainbow." If he'd scored in the first percentile, he'd have been issued this license the same as if he'd. Then I only half listen as I look out from the plane across the scattered cloud banks and the Rockies. as a luxury, and about as useful as the nipples on a man's chest. But I was wrong. All the NASA people were wrong. The Astronaut Corps fought like crazy to keep you off this trip. Time enough for that on later flights. We were blinded by our loyalty to the test-pilot philosophy of space flight. We wanted as few scientists as possible and as many astronauts as we could manage. We don't like to think of ourselves as ferry-boat pilots. I think we demonstrated during Apollo that we could handle science jobs as well as anyone. We saw you as a kind of insult, a slap in the face by the scientists in Houston to show us how low our stock has fallen." The usher who led him to his seat in the second ring sat down beside him and started to tell him about a Japanese department store that covered an entire sixteen and a half acres, had thirty-two restaurants, two movie theaters, and a children's playground. out here.
