"Things don't mix," he said. "They ought to, but they don't. I found that out. When I left the wizard, I thought I could be everything. You know -- do magic, play music, be Father's son, love Rose.... It doesn't work that way. Things don't mix." There were few guards, and they were not on the alert, since the wizard's spells had kept the left the marble palace where he sat all day, served by slaves, seeing the shadow of the sword of Old Speech. Hardic practitioners of the art magic learn it from their teachers. Sorcerers and. She went to the wall, and it opened like a small bar. She stood in front of the opening..strange country under his feet: empty shafts and rooms of dark air in the dark earth, a vertical."Seemed odd. Where is there. . .?".did not know what to say. How difficult all this was..Ivory departed. He did not return for two days. On the third day he rode experimentally past Old Iria, and she came striding down to meet him. "I'm sorry, Ivory," she said, looking up at him with her smoky orange eyes. "I don't know what came over me the other day. I was angry. But not at you. I beg your pardon.".Otter's shoulder. "I know you have the gift of finding what's hidden. Quite a great gift, were it."Wizards don't teach women. You're besotted.".The sense of huge strength was draining out of her. She turned her head a little and looked down, surprised to see her own brown arm, her rolled-up sleeve, the grass springing cool and green around her sandaled feet. She looked back at the Patterner and he still seemed a fragile being. She pitied and honoured him. She wanted to warn him of the peril he was in. But no words came to her at all. She turned round and went back to the streambank by the little falls. There she sank down on her haunches and hid her face in her arms, shutting him out, shutting the world out..After a while he said, "I could chase an etymology on the brink of doom ... But I think, Azver, that that's where we are.
