When he turned the knob the other way, she.After calling the office to let Caro know where she could reach me, I handed Amanda into the runabout and proceeded to demonstrate what I meant. The sultan's palaces, Greek temples, antebellum mansions, and Norman castles I bypassed with the contempt such common tawdris deserved. Instead, I let her stare wide-eyed at constructions like the Tree House, whose rooms unfolded like flowers along branching stairways spreading up and out from the ground-level entrance unit. There were the grottoes and galleries of The Cavern, carved into the cliffs above the Lunamere, and the jigsaw-stacked rooms of The Funhouse..They stared at each other and Jack jumped up. "Why we must be in the cave of. . .".The suitcase, still beside the couch, hadn't been unpacked?except for the clothes hanging in the closet and the kitchen utensils. There was underwear, socks, an extra pair of shoes, an unopened ream of paper, a bunch of other stuff necessary for his writing, and a dozen or so paperbacks. The books were rubber-stamped with the name of a used-book store on Santa Monica Boulevard. They were a mixture: science fiction, mysteries, biographies, philosophy, several by Colin Wilson.. "It'll keep. It's cold out there, baby..". "What brings you to the Megalo Corporation?" I asked him, trying to affect the nonchalance of a.series of steps. We kept right on his heels. It was at this point that I noticed he was mumbling something.The grey man took the third piece of mirror to his cabin, but he was too ill to fit the fragments together. So he put the last piece on top of the trunk, swallowed several aspirins, and lay down..The jab left her untouched. With perfect calm and not even a pause in her movement, she said, "He had the press, I believe." She spun once more and finished in a deep curtsy, then straightened and began stripping off her exercise suit. "I'm going to swim. Will you come with me?".of where he was; then memory flooded back. He turned to me. The pain and hysteria were gone from his."Who are you?" asked Hinda. "What are you? And why do you seek the deer?" Her voice was.By the end of July he had refined and miniaturized the device and had extended its sensitivity range into the infrared. He spent most of August, when he should have been on vacation, trying various methods of

detecting sound through the device. By focusing on the interior of a speaker's larynx and using infrared, he was able to convert the visible vibrations of the vocal cords into sound of fair quality, but that did not satisfy him. He worked for a while on vibrations picked up from panes of glass in windows and on framed pictures, and he experimented briefly with the diaphragms in speaker systems, intercoms and telephones. He kept on into October without stopping and finally achieved a system that would give tinny but recognizable sound from any vibrating surface—a wall, a floor, even the speaker's own cheek or forehead. I tell her, "Repeat, please." "They would weigh me down," said Amos, "and I could not be back for lunch. "I mean quit everything: running, swimming, practicing. . . \*\* "Quit practicing?" Her face set. "I can't afford to stop practicing. Gordy, it's time she doesn't use. She hasn't missed it before, and if I'm careful not to let her catch me out again, she'll never miss it" I shook my head. "You're breaking an agreement" "I'm not taking over, though. You know that's just a paranoid fantasy. I use only enough time for practice and no more." I sighed. "You seem to have all the best of it" She snorted. "I wonder. Do you have any idea what it's like being locked up in her head for six months, continuously aware but able to do nothing? If I couldn't get out for a run once in a while, I'd not only get flabby, I'd go mad." She bounced out of the chair and came over to lace her fingers together behind my neck. "What about you? It's three months until January. How can I give up seeing you for three whole months?". The adults were standing separately around the space while tiny helicopters flew around them. Bless you, what makes you think I know? (See, there goes Byline.) Actually, critics can make educated guesses from time to time about the tastes of some groups of readers. Editors must, such judgments being their bread and butter? and look how often they fail. If judgments of beauty and truth are difficult, imagine what happens when the issue is escape reading, i.e., something as idiosyncratic as guided daydreams. Perhaps the popularity of series novels is due in part to readers' desire for a reliable, easily reproducible pleasure. But the simplest good-bad scales (like the Daily News system of stars) is always colliding with readers' tastes. Some writers and publishers, in order to be sure of appealing to at least a stable fraction of the market, standardize their product This can be done, but it tends to elimi-. "That's Topic's feature story this week?". "It was one of the fruit," she said, gasping for breath and coughing. "I was heating it in a beaker, turned away, and it blew. I guess it sort of stunned me. The next thing I knew, Marty was carrying me out here. Hey, I have to get back in there! There's another one . . . it could be dangerous, and the damage, I have to check on that?" She struggled to get up but Lang held her down.. Once there was a poor man named Amos. He had nothing but his bright red hair, fast fingers, quick. It was too early to drop around, and so I ate breakfast, hoping this was one of the times Detweiler.
