"I can only hide in my woods." A few times, sitting on the waterstairs, the dirty harbor water sloshing at the next step down, the yells of gulls and dockworkers wreathing the air with a thin, ungainly music, he shut his eyes and saw his love so clear, so close, that he reached out his hand to touch her. If he reached out his hand in his mind only, as when he played the mental harp, then indeed he touched her. He felt her hand in his, and her cheek, warm-cool, silken-gritty, lay against his mouth. In his mind he spoke to her, and in his mind she answered, her voice, her husky voice saying his name, "Diamond ...." was cold, and his blood did not run, and no soul was in him. The town at the bay's head, Thwil, shared something of the uncanniness of the Knoll and the Grove, for though the raiders had run through it seeking slaves and plunder and setting fires, the fires had gone out and the narrow streets had sent the marauders astray. Most of the islanders who survived were wise women and their children, who had hidden themselves in the town or in the Immanent Grove. The men now on Roke were those spared children, grown, and a few men now grown old. There was no government but that of the women of the Hand, for it was their spells that had protected Roke so long and protected it far more closely now. His face was large and long, whiter than any face Otter had seen, with bluish eyes. Grey and black hairs curled here and there on his chin and cheeks. His calm, open smile showed small teeth, several of them missing. "Those who have learned to see truly can see him as he is, the lord of all substances. The root of power lies in him. Do you know what we call him in the secrecy of his palace?" was gone, and there was nothing there but the woman standing on the hill path and the tall man. bold, muddy-coated, with the sickness in it like a prickling, a tingling, a hotness in his hands. Maharion and Erreth-Akbe became "hearts brothers." They spent ten years together fighting the Kargs, whose occasional forays from the East had in recent times become a slave-taking, colonising invasion. Venway, Torheven and the Torikles, Spevy, Perregal, and parts of Gont were under Kargish dominion for a generation or longer. At Shelieth on Way, Erreth-Akbe worked a great magic against the Kargish forces, who had landed in "a thousand ships" on Waymarsh and were swarming across the mainland. Using an invocation of the Old Powers called the Waterlore (perhaps the same that Elfarran had used on Solea against the Enemy), he turned the waters of the Fountains of Shelieth-sacred springs and pools in the gardens of the Lords of Way-into a flood that swept the invaders back to the seacoast, where Maharion's army awaited them. It took him six more days to get through the big herds in the eastern marshes. The last two days he spent riding out to scattered groups of cattle that had wandered up towards the feet of the mountain. Many of them were not infected yet, and he could protect them. The hinny carried him bareback and made the going easy. But there was nothing left for him to eat. When he rode back to the village he was light-headed and weak-kneed. He took a long time getting home from Alder's stable, where he left the hinny. Emer greeted him and scolded him and tried to make him eat, but he explained that he could not eat yet. "As I stayed there in the sickness, in the sick fields, I felt sick. After a while I'll be able to eat again," he explained. Ogion shook his head. So they talked, that long winter, and others talked with them. Slowly their talk turned from vision to intention, from longing to planning. Veil was always cautious, warning of dangers. White-haired Dune was so eager that Ember said he wanted to start teaching sorcery to every child in Thwil. Once Ember had come to believe that Roke's freedom lay in offering others freedom, she set her whole mind on how the women of the Hand might grow strong again. But her mind, formed by her long solitudes among the trees, always sought form and clarity, and she said, "How can we teach our art when we don't know what it is?"
