The sailors gathered on the deck of the ship just as the sun began to set, and the grey man put one grey gloved hand on Amos' shoulder and pointed to the mountain with his other. "There, among the windy peaks, is the cave of the North Wind. Even higher, on the highest and windiest peak, is the second fragment of the mirror. It is a long, dangerous, and treacherous climb. Shall I expect you back for breakfast?" Lang groaned. "All the air-lock seals, for one thing." There were grimaces from all of them at the. "PolySensitives," she said.
