To write in the True Runes, as to speak the Old Speech, is to guarantee the truth of what one says-if one is human. Human beings cannot lie in that language. Dragons can; or so the dragons say; and if they are lying, does that not prove that what they say is true?.Golden owned the mill that cut the oak boards for the ships they built in Havnor South Port and Havnor Great Port; he owned the biggest chestnut groves; he owned the carts and hired the carters that carried the timber and the chestnuts over the hills to be sold. He did very well from trees, and when his son was born, the mother said, "We could call him Chestnut, or Oak, maybe?" But the father said, "Diamond," diamond being in his estimation the one thing more precious than gold..torment, burned alive. They saw it go up stone on stone, every stone steeped in spells of protection, endurance, peace. They saw the Rule of Roke established, though never so firmly as they might wish, and always against opposition; for mages came from other islands and rose up from among the students of the school, women and men of power, knowledge, and pride, sworn by the Rule to work together and for the good of all, but each seeing a different way to do it.."Ard. She didn't say where she'd learned it. Here, of course ... There are different kinds of knowledge, after all.."he said, "My words are nothing. Hear the leaves." That was all he said that could be called.."It isn't right. It isn't my true name! I thought my name would make me be me. But this makes it worse. You got it wrong. You're only a witch. You did it wrong. It's his name. He can have it. He's so proud of it, his stupid domain, his stupid grandfather. I don't want it. I won't have it. It isn't me. I still don't know who I am. I'm not Irian!" She fell silent abruptly, having spoken the name..It would be Berry at the door, though why he knocked she didn't know.
