She like a journey to the bottom, as if I had been thrown down a sterile conduit, and this colossal Medra knew only a hint of this story from Ember. But, as there are ascetics among humans, some dragons are greedy for shining things, gold, jewels; one was Yevaud, who sometimes came among people in human form, and who made the rich Isle of Pendor into a dragon nursery, until driven back into the west by Ged. But the marauding dragons of the Lay and the songs seem to have been moved not so much by greed as by anger, a sense of having been cheated, betrayed.."I can protect you here, and have done so. It's a difficult thing for a young man, very difficult -- a test of a will that has not yet been steeled, a mind that has not yet seen its true goal.
