The humor seems infantile and unimaginative to you; you are not interested in the actresses' occasional seminudity. What strikes you as hilarious is the coyness, the sidelong glances, smiles, grimaces hinting at things that will never be shown on the screen. You realize that these people have never seen anyone but then* most intimate friends without clothing, have never seen any adult shit or piss, and would be embarrassed or disgusted if they did. Why did children say "pee-pee" and "poo-poo," and then giggle? Yon have read scholarly books about taboos on "bodily functions," but why was shitting worse than sneezing?.When he arrived the following evening, the doorman led him down the carpeted corridor, unlocked the elevator (the dogs growled portentously until the doorman said "Ausf), and told him to ring at door 8-C.She nodded and leaned her bulk on the registration desk.
