"Once we figured..Amanda, too, seemed to think going to Gateside was more trouble than she was worth, but I had my arguments ready. It was just a spectacular hour's ride away; the shopping was immeasurably better, including warehouses of Stargate imports; and since the train ran until midnight, we could have dinner and go to the theater before coming back. That persuaded her..She stirred in my arms. I felt a ripple of tension in her body. She lifted her head and kissed me hard. I grabbed her shoulders and held her off at arm's length to look at her..better, just bigger..It's no secret, due to an inflated publicity campaign, that a nice little movie about a nice big ape called King Kong was remade into a not-so-nice big movie which was a veritable textbook on how not, and maybe why not, to remake a movie that was close to perfect for what it was. Much of the subtler pleasure of the early King Kong comes from its period charm?the naivet?, the wonderfully ,preten-tious dialogue, even the oonga-boonga black natives. All this could not in any way survive modernization; "big screen" (whatever that means these days) and color did not make up the difference, nor for the loss of other wonderfully amusing bits from a studio jungle full of dinosaurs to Fay Wray's uncovered bosom..Lucius McGonaghal Sloe," which begins:..mouth issued a gentle snore..for the power switch with his other hand. Sure, I know the Project's an important undertaking, but construction workers have to live the same as anybody else, no matter how important what they're constructing is. Like the Organizer says, it's dog-eat-dog these days, and workingmen have to look out for themselves, nobody else is going to. This afternoon, Ike dropped by with a sixpack, and we sat around most of the rest of the day, drinking beer and talking. He's up for picket duty tonight; I'm not scheduled till tomorrow morning. Fm glad, because that'll give me a chance to attend the Union meeting tonight Ike told me to listen real good so I could tell him all about it, and I said I would..He had a hole in his back, between his shoulder blades, an un-healed wound big enough to stick your finger in..Excerpts from myopic early SF or Utopian novels..There's one sure gauge for judging a part of town: the movie theaters. It never fails. For instance, a new picture hadn't opened in downtown L.A. in a long, long time. The action ten years ago was on the Boulevard. Now it's hi Westwood. The grand old Pantages, east of Vine and too near the freeway, used to be the site of the most glittering premieres. They even had the Oscar ceremonies there for 8 while. Now it shows exploitation and double-feature horror films. Only Grauman's Chinese and the once Paramount once Loew*s, now..Barry smiled, at a loss..Source: P. T. He never told me anything that would connect him to nine deaths, mostly about where he'd been, things he'd read. He read a lot, just about anything he could get his hands on. I got the impression he hadn't really lived Me so much as he'd read it, that all the things he knew about had never physically affected him. He was like an insulated island. Life flowed around him but never touched him, I wondered if the hump on his back made that much difference, if it made him such a green monkey he'd had to retreat into his insular existence. Practically everyone I had talked to liked him, mixed with varying portions of pity, to be sure, but liking nevertheless. Harry Spinner liked him, but had discovered something "peculiar" about him. Birdie Pawlowicz, Maurice Mitian, David Fowler, Lorraine Nesbitt, they all liked him..Late in February he bought a house and an electronics dealership in a small town in the Adirondacks..an introduction service on the day they came in the mail.
