I've been there when she's performed a hell of a lot better, maybe, but I've also seen her perform worse and still come off the stage happy..I was disturbed by her vehemence and the implied criticism of Selene. The silent 1924 Thief, with Douglas Fairbanks, looks pretty primitive in places but also has some special effects that can still awe. Alexander Korda's 1940 Thief doubles that in spades (the giant flying genie is just one of many), plus it has monumentally lavish sets. One grey evening when the rain rumbled in the clouds, about to fall, he came down the cobbled street toward Mariner's Tavern to play jackstraws with Billy Belay, the sailor with a wooden leg and a mouth full of stories that he chewed around and spit out all evening.
