She seldom thought to do anything much for her daughter, but never hurt her, never scolded her, and gave her whatever she asked for, dinner, a toad of her own, the amethyst necklace, lessons in witchcraft. She would have provided new clothes if Rose had asked for them, but she never did. Rose had looked after herself from an early age; and this was one of the reasons Diamond loved her. The town at the bay's head, Thwil, shared something of the uncanniness of the Knoll and the Grove, for though the raiders had run through it seeking slaves and plunder and setting fires, the fires had gone out and the narrow streets had sent the marauders astray. Most of the islanders who survived were wise women and their children, who had hidden themselves in the town or in the Immanent Grove. The men now on Roke were those spared children, grown, and a few men now grown old. There was no government but that of the women of the Hand, for it was their spells that had protected Roke so long and protected it far more closely now. .them now. Tuly shared it with him for a long time, since she could see her son only by lying to her husband, which she found hard to do. She wept to think of Diamond hungry, sleeping hard. Cold nights of autumn were a misery to her. But as time went on and she heard him spoken of as Diamond the sweet singer of the West of Havnor, Diamond who had harped and sung to the great lords in the Tower of the Sword, her heart grew lighter. And once, when Golden was down 'at South Port, she and Tangle took a donkey cart and drove over to Easthill, where they heard Diamond sing the Lay of the Lost Queen, while Rose sat with them, and Little Tuly sat on Tuly's
