The ship pitched like a horse rearing and then rolled so hard and far that the mast broke loose from its footing, though the stays held. The sail struck the water, filled, and pulled the galley right over, the great sweeps sliding in their oarlocks, the chained slaves struggling and shouting on their benches, barrels of oil breaking loose and thundering over one another-pulled her over and held her over, the deck vertical to the sea, till a huge storm wave struck and swamped her and she sank. All the shouting and screaming of men's voices was suddenly silent. There was no noise but the roar of the rain on the sea, lessening as the freak wind passed on eastward. And in our council we set the young king in the Summoner's place. To us it seemed right that he should sit among us.
