Perhaps this afternoon?" The grey man looked back over his shoulder, but all he saw were the bright colors of the garden. I chuckled and sat on the edge of the bed. "You may be right." Science fiction is a small country which for years has maintained a protective standards-tariff to encourage native manufactures. Many readers are, in fact, unacquainted with the general canon of English literature or the standards of criticism outside our own small field. Add to this the defensiveness so many people feel about high culture and you get the wholesale inflation of reputations James Blish lambaste in The Issue at Hand. Like him, I believe that somebody has to stop handing out stars and kisses: If "great writer" means Charles Dickens or Virginia Woolf (not to mention William Shakespeare), then it does not mean C. S. Lewis or J. R. R. Tolkien, about whom the most generous consensus of mainstream critical opinion is that they are good, interesting, minor authors. And so on. Dear heart, Brother Hart, Come at my behest, We shall dine on berry wine And you shall have your rest. "Unfortunately, I have used up my quota. However?" she held up a single perfect finger?
