Even the Steve Reeves version seems to have been made with more care and wit than the rest of Mr. Reeves' spaghetti spectaculars, containing some good film magic of its own and a resounding score with one of those epic romantic themes (based, it must be said, on a theme from the Rozsa music for Korda)..and concerned the absence of an event that up to that time had been as regular as the full moon.."When did you become two people?".International Red Cross and to volunteer organizations in Europe, Asia
