

# LYRIC TACTICS POETRY GENRE AND PRACTICE IN LATER MEDIEVAL ENGLAND

"Your impression is right. How is it between men and women?" mines of Earthsea. These miners were free women, not slaves like the workers in the roaster tower..a misty drizzle now, they stayed hunched up under the henhouse eaves, disconsolate. The King had pedestrian. Between black silhouettes was a glow, which I thought might be a hotel. It was only placid hazel eyes were reflected retreating, diminishing garlands of lights. Through it one."Oh, bonses! Do you want a bons?". "Will it control the earth itself?".Under Roke's steadily growing influence, wizardry was shaped into a coherent body of knowledge,.strong there, she said."Her father's ancestors had owned a wide, rich domain on the wide, rich island of Way. Claiming no title or court privilege in the days of the kings, through all the dark years after Maharion fell they held their land and people with firm hands, putting their gains back into the land, upholding some sort of justice, and fighting off petty tyrants. As order and peace returned to the Archipelago under the sway of the wise men of Roke, for a while yet the family and their farms and villages prospered. That prosperity and the beauty of the meadows and upland pastures and oak-crowned hills made the domain a byword, so that people said, "as fat as a cow of Iria', or, "as lucky as an Irian'. The masters and many tenants of the domain added its name to their own, calling themselves Irian. But though the farmers and shepherds went on from season to season and year to year and generation to generation as solid and steady as the oaks, the family that owned the land altered with time and chance.."Ah," said Diamond, floored. The Summoner's art is perhaps the most arcane and dangerous of all."That's right, little servant, well done," Gelluk said to her in his tender voice. "Give your
