done at birth, because the younger the cell, the more efficiently it is likely to clone.) From somewhere there was the sound of knocking. "Well, there's no doubt that you have a definite communications problem. But I think it's a problem you can lick! Til tell you what, Barry: officially, I shouldn't tell you this myself, but I'm giving you a score of 65." He held up his hand to forestall an effusion. "Now, let me explain how that breaks down. You do very well in most categories? Affect, Awareness of Others, Relevance, Voice Production, et cetera, but where you do fall down is in Notional Content and Originality. There you could do better." "Oh, I've got till March." "Can you ever hope to cut stone?" "Sure," Song said, peering along his pointed finger. "Just show me the damn thing and I'll immortalize you."
