"Shit!" she says. "Damn it all to hell." She stands immovable, staring."It sounds very specialized," McKillian said thoughtfully. "Maybe we should be looking for the niche it occupies. The way you describe it, it couldn't function without help from a symbiote. Maybe it fertilizes the plants, like bees, and the plants either donate or are robbed of the power to wind the spring. Did you look for some mechanism the bug could use to steal energy from the rotating gears in the whirligigs?".There was also a carbon copy of the story he'd just finished. The return address on the first page was."Thanks." Setting the tray on the table, she contrived to brush against his left foot. "I see you're.I found the Detweiler boy again on the 16th and the 19th.
