She smiled a meaningful, unblemished smile and gave his hand a quick, trusting squeeze. "You know, More blankets had fallen away, and besides a red as bright as his own hair, he could see a green the color of parrot's feathers, a yellow as pale as Chinese mustard, and a blue brilliant as the sky at eight o'clock in July. Have you ever watched someone asleep under a pile of blankets? You can see the blankets move up and down, up and down with breathing. That's how Amos knew this was a person. "J'ssst," he said, "You colorful but uninteresting person, wake up and talk to me." "Then we'll work it so you won't have to hide," said Amos. "If I remember you right, the second off. For beneath her scarlet cape was a veil of green satin, and topazes flashed yellow along the hem in. "We do. Between them and our celebrity citizens, shopkeepers and simple businessmen like me are a minority group. Aventine is really a village with a large population." Robert F. Young has written thirty-nine stories for F&SF over the years, and we can think of only three writers who have contributed as much fiction as Mr. Young (Poul Andersen, A warn Davidson, and Ron Goulart). A Robert Young story is always a pleasure because its high quality is as predictable as its subject matter is unpredictable. Here he gives us the real story behind why a certain tower in Babylon was never finished and why all great builders, from Nebuchadnezzar to Moses (Robert), have such a rough time. "What do they say on the Burroughs?" McKillian asked, tossing her helmet on the floor and squatting. It seemed self-evident to him that nobody in his right mind would want to get killed, or to be sent to places he'd never heard of by people he'd never met in order to kill other people he didn't know. Therefore nobody in his right mind would be in the Army. But since the Army was full of people whom it had judged to be acceptably sane and normal, it seemed to follow that the Army's ideas of what was normal had to be very strange. Now, to transfer into something like Engineering seemed on the face of it

to be a perfectly natural, reasonable, constructive, and desirable thing to want to do. Only those who have reviewed, year in and year out, know how truly abominable most fiction is. And we can't remove ourselves from the pain. Ordinary readers can skip, or read every third word, or quit in the middle. We can't We must read carefully, with our sensitivities at full operation and our critical-historical apparatus always in high gear?or we may miss that subtle satire which disguises itself as clich?, that first novel whose beginning, alas, was never revised, that gem of a quiet story obscured in a loud, flashy collection, that experiment in form which could be mistaken for sloppiness, that appealing tale partly marred by (but also made possible by) naiveteI, that complicated situation that only pays off near the end of the book. Such works exist but in order not to miss them, one must continually extend one's sensitivity, knowledge, and critical care to works that only abuse such faculties. The mental sensation is that of eating garbage, I assure you, and if critics* accumulated suffering did not find an outlet in the vigor of our language, I don't know what we would do. And it's the critics who care the most who suffer the most; irritation is a sign of betrayed love. As Shaw puts it:..hadn't improved her disposition.
