So glad to hear all your.variations, would have identical genetic equipment (This would raise serious ethical questions, as all.I have tried to speak to general issues rather than "defend" my own criticism. Issues are, in any case, more important than personalities, although there is a (small) section of fandom which sees in aesthetic or political disagreement nothing but personal squabbling motivated by envy. It's not for me to judge how good my criticism is; if enough readers think it's bad, and the editor thinks so too, presumably hell stop printing it although writing book reviews (except for places like the New York Times) is underpaid, overworked, and a labor of love. The problem is usually to recruit reviewers, not discourage them..She pointed out the window at a passing group who were sporting a rainbow of fanciful hair colors and wearing leotards and tights beneath coats thrown casually around their shoulders..At last the trees end and I climb over bare mountain grades. Within a day Barry had relegated all recollections of his criminal behavior of the night before to the depths of his subconscious and was back at Intensity Five, waiting for whomever to strike up a conversation. The only person who so much as glanced his way, however, was Evelyn, the woman behind the refreshment stand. He went to other speakeasies, but it was always the same story. People avoided him. Their eyes shied away. His vibrations became such an effective repellent that he had only to enter a room in order to empty it of half its custom. Or so it seemed. When one is experiencing failure, it is hard to resist the comfort of paranoia..Things did settle down, as Lang had known they would.
