Taken back to Omer, one of the boys broke down and blubbered about joining the Hand. He did not know himself why he tried to weaken her faith in wizardry; perhaps because any weakening of her strength, her wholeness, was a gain for him. He had begun merely by trying to get her into his bed, a game he loved to play. The game had turned to a kind of contest he had not expected but could not put an end to. He was determined now not to win her, but to defeat her. He could not let her defeat him. He had a sweet singing voice, a true ear, and a love of music, so that his mother, Tuly, called him Songsparrow and Skylark, among other loving names, for she never really did like "Diamond." He trilled and caroled about the house; he knew any tune as soon as he heard it, and invented tunes when he heard none. His mother had the wisewoman Tangle teach him The Creation of Ea and The Deed of the Young King, and at Sunreturn when he was eleven years old he sang the Winter Carol for the Lord of the Western Land, who was visiting his domain in the hills above Glade. The Lord and his Lady praised the boy's singing and gave him a tiny gold box with a diamond set in the lid, which seemed a kind and pretty gift to Diamond and his mother. But Golden was a bit impatient with the singing and the trinkets. "There are more important things for you to do, son," he said. "And greater prizes to be earned." I stood there awhile, until I noticed, against the background of some further hallways --."Of course," he said, his smile growing brilliant. And Diamond nodded sturdily enough to satisfy his father, though he had a thoughtful look.."Yes," said Ember. "We must hide, and forever if need be. Because there's nothing left but being killed and killing, beyond these shores. You say it, and I believe it."..They both came to her. "The Master Changer of Roke: Irian of Way," said the Doorkeeper..My teacher was with me, and his teacher with him," Ogion said when they praised him. "I could hold the Gate open because he held the Mountain still." They praised his modesty and did not listen to him. Listening is a rare gift, and men will have their heroes.."No, seriously," she said. "You thought I was sending in the dark, eh? Since when!

She looked at him and said nothing, a non-rhetorical answer..For there had been times when he felt that, as he had summoned her living, so dead she might summon him. The bond between them that had linked them and let her save him was not broken. Many times she had come into his dreams, standing silent as she stood when he first saw her in the reeking tower at Samory. And he had seen her, years ago, in the vision of the dying healer in Telio, in the twilight, beside the wall of stones..knelt down by Thorion. "My lord," he said, "my friend."..When in 730 the first Archmage of Roke, Halkel of Way, excluded women from the school, among his Nine Masters only the Patterner and the Doorkeeper protested; they were overruled.
