ask the question without in the least seeming to challenge Marvin Kolodny's authority..I've got to admit, though, that before I yelled my nay I had a bad moment. I'm still not sure I did right..On the other hand, an important part of the evaluation was the psychiatric assessment and recommendation, and in the course of the several sessions that he had spent with Pendrey, the psychiatrist attached to Brigade, Colman had found himself harboring the steadily growing suspicion that Pendrey was crazy. He wondered if perhaps a crazy psychiatrist working with a crazy set of premises might end up arriving at sane answers in the same way that two logical inverters in series didn't alter the truth of a proposition; but then again, if Pendrey was normal by the Army's standards, the analogy wouldn't work..I looked at him, at his face, at his eyes, at his soul.
