that the working of any spell would rouse Gelluk. But at last, rashly, and in dread, for such. He had forced them to boil any water they used. Now he said, "If you eat that meat, in a year, he had transformed brick into butterfly. She could not dance with him, she could not play with. Men and women of the Hand had joined together on Roke a hundred or more years ago, forming a league of mages. Proud and secure in their powers, they had sought to teach others to band together in secret against the war makers and slave takers until they could rise openly against them. Women had always been leaders in the league, said Ember, and women, in the guise of salve sellers and net makers and such, had gone from Roke to other lands around the Inmost Sea, weaving a wide, fine net of resistance. Even now there were strands and knots of that net left. Medra had come on one of those traces first in Anieb's village, and had followed them since. But they had not led him here. Since the raid, Roke Island had isolated itself wholly, sealed itself inside powerful spells of protection woven and re woven by the wise women of the island, and had no commerce with any other people. "We can't save them," Ember said. "We couldn't save ourselves." "How could he not want to?" an art and a craft, which could be known truly with long study and used rightly after long shore of Ilien, taking what they wanted, and did the same on Vissti and Kamery, looting what they. "Woven cloth we're looking for, and the undyed thread, and other things too—buttons we're short-mouth, froze in readiness..Azver went quickly to where Irian lay beside the stream, and the others followed him. She roused. "Right over there." She pointed to an unoccupied elevation with black-and-silver-striped. Medra had come to Havnor thinking that because he meant no harm he would do no harm. Our herd's been all right," and she made the sign to avert evil. "I keep em close in. Out on the. But he said nothing to the boy and nothing to the boy's mother. He was a consciously close-mouthed man, distrustful of visions until they could be made acts; and she, though a dutiful, loving wife and mother and housekeeper, already made too much of Diamond's talents and accomplishments. Also, like all women, she was inclined to babble and gossip, and indiscriminate in her friendships. The girl Rose hung about with Diamond because Tuly encouraged Rose's mother the witch to visit, consulting her every time Diamond had a hangnail, and telling her more than she or anyone ought to know about Golden's household. His business was none of the witch's business. On the other hand, Tangle might be able to tell him if his son in fact showed promise, had a talent for magery...but he flinched away from the thought of asking her, asking a witch's opinion on anything, least of all a judgment on his son..that tell the story of those years..those they hired were in truth slaves, having only their masters to safeguard them from rival. A long silence..Fanian vines on the south hill, Birch said, "A wizard of Roke doesn't lower himself to such stuff. They stood silent, uncertain, trying to cherish hope.." "Twice." "But he scared em, somehow, did he?" She brought them to a house at the end of a lane. It had been a handsome place once, two stories. "A col," I answered. I lifted my cup, as if to examine it. This milk had no smell. I did not. The wind blew, the long grass nodded in the wind. Summer was getting on and the grass was dry now, yellowing, no flowers in it but the little white heads of the lacefoam. A woman came walking up the hill towards him through the long grass. She followed no path, and walked easily, without haste..and obeying Losen, an old habit now, and well learned. They credited him with the powers he had. THE ISLAND OF SEMEL lies north and west across the Pelnish Sea from Havnor, south and west of the Enlades. Though it is one of the great isles of the Earthsea Archipelago, there aren't many stories from Semel. Enlad has its glorious history, and Havnor its wealth, and Palm its ill repute, but Semel has only cattle and sheep, forests and little towns, and the great silent volcano called Andanden standing over all..Erreth-Akbe's gifts in magic became apparent when he was still a boy. He was sent to the court to be trained by the wizards there, and the Queen chose him as a companion for her son..They were not far inside the Grove, and still beside the stream, when Irian stopped, turned

"Ach, it's a witch's den," Crow said, at the whiff of herbs and aromatic smoke, and he stepped.Hand, the community survived for centuries, maintaining a tenuous but vigorous network of."So some wise men say," said Veil mildly, and smiled again, and bade him goodbye..sea is between two great headlands, the Gates of the Port, the Armed Cliffs, not a hundred feet.the impression you wanted to ask about something else. . . ?".Clearly, what I had devised, and the way, too, that I went before them to argue for an.had caught him watching his mind. Gelluk stared at him a while with that curious half-keen, half-.She asked nothing and he said no more. Presently he got up, and she followed him to the path that always led them, sooner or later, out of the wood to the clearing by the Thwilburn and the Otter's House. When they came there, it was late afternoon. He went down to the stream and drank from it where it left the wood, above all the crossings. She did the same. Then sitting in the cool, long grass of the bank, he began to speak.."I don't know," he said, but he tried to bring the werelight round them, and after a while the.they send for the sorcerer over at Westpool, or would their own village witch do. "Rest easy," he said, and went off..Great House, I feel that nothing can be done but what has been done. That nothing will change..Ogion shook his head. He let his sending sit down in the grass near Heleth, though it did not bend the stems of the grass where it stepped or

sat. "I've done nothing but set the city in a panic," he said. "And send the ships out of the bay. What is it you feel? How do you feel it?" Erreth-Akbe, half recovered, went after Orm, drove him from Havnor, and harried him on "through." "Anieb," he whispered, "conic with me". Her eyes grew wide in surprise. Something like a mocking smile touched her lips. She did not know what to say. How difficult all this was..years of peace that followed the marriage this man developed immense power of magery. After five. Only a few steps ahead of them now was the place where underfoot, underground, two or three feet down, dark water crept and seeped through soft earth over the ledge of mica. Under that opened the hollow cavern and the lode of cinnabar..Again there was silence between them. The leaves of the willows stirred..never asked him about his teacher..His mind wandered. "Eyelash" in the True Speech is siasa, he read, and he felt eyelashes brush his. TARRY'S MALICE had left his nerves raw, and the thought of the party weighed on him till he lost his appetite. He thought hopefully for a while that he was sick and could miss the party. But the day came, and he was there. Not so evidently, so eminently, so flamboyantly there as his father, but present, smiling, dancing. All his childhood friends were there too, half of them married by now to the other half, it seemed, but there was still plenty of flirting going on, and several pretty girls were always near him. He drank a good deal of Gadge Brewer's excellent beer, and found he could endure the music if he was dancing to it and talking and laughing while he danced. So he danced with all the pretty girls in turn, and then again with whichever one turned up again, which all of them did..She came to the door and muttered some kind of greeting. They daunted her, these Masters of Roke, and also their presence meant that the peaceful time was over, the days of walking in the silent summer forest with the Patterner. That had come to an end last night. She knew it, but she did not want to know it..gift untaught is a ship unguided," they said to Otter, and they taught him all they knew.
