"They didn't punish him, but kept his wild powers bound with spells until they could make him listen and begin to learn. It took them a long time. There was a rivalrous spirit in him that made him look on any power he did not have, any thing he did not know, as a threat, a challenge, a thing to fight against until he could defeat it. She refused his question, not arrogantly but definitely, saying, "You can learn about the Grove only in it and from it." A few days later she came down to the sands of Thwil Bay, where he was repairing a fishing boat. She helped him as she could, and asked about boat-building, and he told her and showed her what he could. It was a peaceful afternoon, but after it she went off in her abrupt way. He felt some awe of her; she was incalculable. He was amazed when, not long after, she said to him, "I'll be going to the Grove after the Long Dance. His father, more interested in vines and orchards than in quarrels with his relatives, had left Birch a thriving property. He married the timid daughter of the younger brother of the Lord of Wayfirth, and took infinite pleasure in thinking that his daughters were of noble blood.. "No!" As the sun neared the western plains, they stopped at a farmhouse that offered stabling for the horses, a shed for the cart, and straw in the stable loft for the carters. The loft was dark and stuffy and the straw musty. Ivory felt no lust at all, though Dragonfly lay not three feet from him.
