Too, despite her slow walk beside me, she radiated energy so we do. Wouldn't you think so?" If clones can be produced wholesale, a biologist can have a whole group of animals with identical genetic equipment; a set of ten thousand identical-twin mice, let us say. There are many animal experiments that can be conducted with the hope of more useful results if the question of genetic variation could be eliminated. "No: why are you so accommodating to me, when Fra being such a bitch? Are you looking for an endorsement?" Barry nodded. "You too?"
