

THE ANALYSIS OF FORM IN MUSIC

"Hmn," Hound went, a short, grunting laugh. "You find what you look for, don't you? Like me." He saw that his companion was in distress, and said, "I'll get you out of here. Fetch a carter from the village down there, when I've got my breath. Listen. Don't fret. I haven't hunted you all these years to give you to Early. The way I gave you to Gelluk. I was sorry for that. I thought about it. What I said to you about men of a craft sticking together. And who we work for. Couldn't see that I had much choice about that. But having done you a disfavor, I thought if I came across you again I'd do you a favor, if I could. As one finder to the other, see?" was fond of children and animals. He liked all beautiful things. When they talked to each other it was always about what they were. Irian stood silent too, but her hope sank down, replaced by a sense of shame and utter insignificance. These were brave, wise men, seeking to save what they loved, but they did not know how to do it. And she had no share in their wisdom, no part in their decisions. She drew away from them, and they did not notice. She walked on, going towards the Thwilburn where it ran out of the wood over a little fall of boulders. The water was bright in the morning sunlight and made a happy noise. She wanted to cry but she had never been good at crying. She stood and watched the water, and her shame turned slowly into anger. over the antique descriptions of harikki and otak and icebear. But Tern went ashore on every isle. Sunbright told them all to get rid of the fellow, but didn't stay around to see them do it. He dreaming yet another particularly vivid nightmare of my return. "He's matchmaking," Tuly said, dry, fond. "I don't know," Dragonfly said. "To hear about the Great House is wonderful, but I thought the people there would be - I don't know. Of course they're mostly just boys when they go there. But I thought they'd be..." She gazed off at the sheep on the hill, her face troubled. "Some of them are really bad and stupid," she said in a low voice. "They get into the School because they're rich. And they study there just to get richer. Or to get power." "Then you'll be more than welcome. The plague is terrible among the cattle. And getting worse." it. But one hot afternoon when they came to a glade among a stand of oaks, he said, "I will come. In return he told Veil and Ember about the mines of Samory, and the wizard Gelluk, and Anieb the slave. human beings with a powerful gift of magic, or through the ancient kinship of humans and dragons. "But -" Irian said, and stopped. The food of dragons is said to be light, or fire; they kill in rage, to defend their young, or for sport, but never eat their kill. Since time immemorial, until the reign of Heru, they had used only the outmost isles of the West Reach - which may have been the easternmost borders of their own realm - for meeting and breeding, and had seldom even been seen by most of the islanders. Naturally irritable and arrogant, the dragons may have felt threatened by the increasing population and prosperity of the Inner Lands, which brought constant boat traffic even out in the West Reach. For whatever the reason, in those years they made increasing raids, sudden and random, on flocks and herds and villagers of the lonely western isles. "Your father told me. A witch's daughter, a childhood playmate. He believed that you had taught. They call this the Otter's House," he said. "Very old. As old as the Great House. Everything is." "Who doesn't? I like the cheese making. There's an interest to it. And I'm strong. All I fear is getting old, when I can't lift the buckets and the molds." She showed him her round, muscular arm, making a fist and smiling. "Pretty good for fifty years old!" she said. It was silly to boast, but she was proud of her strong arms, her energy and skill.
