Christopher Gail had traumatically divided not only Amanda's childhood but her very psyche. Five years. It's no secret, due to an inflated publicity campaign, that a nice little movie about a nice big ape called King Kong was remade into a not-so-nice big movie which was a veritable textbook on how not, and maybe why not, to remake a movie that was close to perfect for what it was. Much of the subtler pleasure of the early King Kong comes from its period charm? the naivet?, the wonderfully .preten-tious dialogue, even the oonga-boonga black natives. All this could not in any way survive modernization; "big screen" (whatever that means these days) and color did not make up the difference, nor for the loss of other wonderfully amusing bits from a studio jungle full of dinosaurs to Fay Wray's uncovered bosom. Nolan turned hi the frozen silence, his eyes searching the shadows at the far side of the room. For the next many days Barry didn't speak to a soul. He felt no need to communicate anything to anyone. He had his three endorsements? one from a poet who'd published twenty-two books? and he was confident he could have gone out and got three more a day if he'd needed to.
