By now, I am sure, the Naval Support Bid Team has descended upon Programming Services to begin costing out the proposal for a production version of Zorphwar. They are talking about a system with one hundred terminals running on two Megalo 861's for starters. Eventually they may order a dozen 861's. Everyone here in Headquarters is too excited about the prospect of selling that kind of hardware to worry about why the program was written in the first place. "Ah," said Lea, "the second question is easy to answer, but the first is not so simple. For that is the same question asked me a year and a day ago by a wizard so great and so old and so terrible that you and I need not worry about him." "Ideas . . ." he said, in a slow, deliberate manner, as though each. She picked up the pad. "I wanted to give you your calls." I didn't say anything. shines like a silver-gray stream.
